Full Itinerary

Day 1: Arrive in Belfast

Arrive into Northern Ireland where you will collect your rental car and then check in to your accommodation. Explore the city of Belfast, famous for its industrial past and turbulent history. Belfast city centre has undergone considerable expansion and regeneration in recent years, notably around Victoria Square.

Day 2: Castle Ward - Strangford Lough

Head to Tollymore Forest Park, located at the foot of the Mourne Mountains. This was featured in the first episode of Game of Thrones and reappears in the scene where Ned Stark comes across the dire wolf pups. Stop on the banks of the River Quoile, where Robb's army needs to cross the Trident and where they learn of Ned's beheading. Continue to Castle Ward – more familiar as Winterfell. Inside this walled demesne you can explore a truly spectacular house, an exotic sunken garden and haunting woodland. This is where King Baratheon and his retinue arrive and are met by the Starks in Season 1. Visit Audley's Field at Strangford Lough, the backdrop of Robb's Camp in Season 2 and the place he first meets Talisa.

Day 3: Murlough Bay - Dark Hedges

Travel north to the Cushendun Caves which is the location where Melisandre gives birth to the shadow baby after being brought ashore by Davos Seaworthy in Season 2. The spectacular caves have been formed over a period of 400 million years. Continue to Murlough Bay, which becomes the Iron Islands in Season 3. Your day would not be complete without a visit to one of the country's most photographed locations, The Dark Hedges. Planted by the Stuart family in the 18th Century, this spectacular avenue of beech trees line King's Road as Ayra Stark makes her escape from King's Landing in Season 2.

Day 4: Downhill Beach - Ballintoy Harbour

Visit one of the country's most iconic locations, Downhill Beach, an 11km stretch of sand and surf located on the Causeway Coast. This location is home to Mussenden, a tiny temple perched on a 120ft cliff, high above the Atlantic Ocean. Downhill was transformed into Dragonstone in Season 2. Head to Ballintoy, one of the most beautiful spots in Northern Ireland located between the famous Giant's Causeway and Carrick-a-Rede Rope Bridge. This spectacular harbour location has been used as the Iron Islands; the place where Theon Greyjoy arrives back to and where he first meets his sister Yara.

Day 5: Departure

Unfortunately, it is now time to leave Northern Ireland. Return to the airport and join your flight home.
