

## Travel Intern

---

### About Us

JacTravel is a team of passionate travel experts, providing group and tailor-made individual travel services to the international travel trade, specialising in destinations UK and Europe. We are a specialist brand of WebBeds, one of the world's leading providers of accommodation distribution services to the travel industry. You can find out more at [www.jactravel.com](http://www.jactravel.com).

### About You

Each year we take on interns in our London and Edinburgh offices to support our Product and Operations teams. An internship at JacTravel could involve purchasing hotel rooms across the UK and mainland Europe, preparing itineraries for our global clients, learning how to use our in-house reservation system, or supporting our various teams.
